WHAT IF I WANT TO HELP RIGHT NOW?

There are four ways you can donate to the CCID's partner NGOs.

1. SMS "GIVE" to 38088 to donate R10*.
2. Download the free SnapScan app onto your smartphone and scan the code to the right to donate the amount of your choice**.
3. Make an EFT payment to the GIVE RESPONSIBLY campaign. You can find bank details at www.giveresponsibly.co.za.
4. Or you can make a donation directly to the NGO of your choice (see inside this brochure). All items in good condition are appreciated, especially tinned food, toiletries (eg sanitary towels), socks, gloves and beanies.

All monetary donations the CCID receives are split equally among six partner NGOs. The CCID takes no admin fee.

*Our partner NGOs receive an average of R8 depending on your cellphone service provider.

**A 3% admin fee goes to SnapScan.

GIVE WHERE IT MAKES A DIFFERENCE

The CCID's on-the-ground **Social Development** fieldworkers assist many street people, all with different needs. Sometimes they interact with up to 40 people a day and sometimes it takes a whole day to help just one person. Some are children who have run away from home, some are substance abusers, and others may suffer from HIV or TB. Many have escaped the breakdown of a family or arrived in the Cape Town CBD looking for a work opportunity.

Our fieldworkers have strong relationships with the NGOs in this brochure. They work together to provide a sustainable alternative to life on the street.

What happens when I give money directly to people on the street?

Even though your intentions are good, in most cases, handouts result in people staying on the streets.

Don't promote begging; rather GIVE RESPONSIBLY.

NGOs can help break this cycle, but need assistance. Please see the back of this brochure for info on how you can help.

IS THERE ANYTHING ELSE I CAN DO?

Whatever giving means to you, remember that everyday acts of kindness can add up to increased social cohesion.

If you are a concerned citizen who wishes to assist someone on the street, or if you yourself are in need of help, call one of these 24-hour hotlines.
